

## Relocated Active Duty Military Families: Magnet Programs and Schools Application

Charleston County School District (CCSD) welcomes and values the men and women serving in the armed forces and their families. In accordance with the Interstate Compact on Educational Opportunity for Military Children, CCSD offers active military families choice options for enrolling their children in schools. Each year, CCSD encourages military families already living in the area to participate in the choice application process for the following academic year.

Active duty military families relocating to Charleston County after the regular enrollment cycle are eligible to complete the attached application for enrollment in choice programs or schools. Each family should complete an application for each child wishing to attend a school other than the school to which the residence is assigned. Eligibility for programs will be determined if the child meets the entrance requirements for the program for which the family is applying, space permitting.

Detailed information for each program or school is available at [www.CCSDSchools.com](http://www.CCSDSchools.com) or by contacting each school.
