2018-2019 Average daily hours

Bus driver hours- 6.11
Bus monitor hours - 6.37

Vendor buses

The contractor can expect to need at least 58 contractor supplied route buses, plus spares, to supplement the State fleet in Zone 1.

Zone 1 Propane and wifi requirements

Students being transported from the CCSD Constituent District 1 (Awendaw/McClellanville) area to Wando High School will receive transportation on vendor provided propane fueled school buses that also have wifi capability. For the 2018-2019 school year there are 5 routes: 101, 102, 103, 108 and 109.

Known changes for Zone 1 that impact Transportation

Starting August 2020

Lucy Beckham High School- Lucy Beckham High school will be opening in Mount Pleasant. The school will start with 9th and 10th graders only. We expect this will add at least 15 bus routes in this area for the 2020-2021 school year, and the 2021-2022 school year. We expect these

Attachment I- CCSD Zone 1 Data and Known changes

routes can be backed out of the Wando High School numbers for the 2022-2023 school year, as we won't be running regular Wando routes in the same attendance zone.

CAS Operations in Mt. Pleasant- Students from Lucy Beckham High School will have mid-day runs to and from the CAS building on the Wando High School Campus for the 2020-2021 and the 2021-2022 school year. Beginning in the 2022-2023 school year morning arrival and afternoon dismissal bus runs will need to be made into the Lucy Beckham attendance zone for delivery to and from the CAS on the Wando campus. These runs will be student specific for each 9 weeks/semester, similar to Special Needs type transportation.

Starting August 2021

CAS Operations from Constituent District's 9 and 23 to the West Ashley High School CAS. Beginning in the 2021-2022 school year morning arrival and afternoon dismissal bus runs will need to be made into Constituent District's 9 and 23 for delivery to and from the CAS on the West Ashley High School campus. These runs will be student specific for each 9 weeks/semester, similar to Special Needs type transportation. Mid-day bus runs will be made to and from West Ashley High School, St. John's High School, and Baptist Hill High School.
