Known changes for Zone 2 that impact Transportation

Starting August 2020

CAS Operations from Stall High, Military Magnet, and Burke High to the North Charleston High School CAS. Beginning in the 2020-2021 school year morning arrival and afternoon dismissal bus runs will need to be made into the Stall and Burke High school attendance zones for delivery to and from the CAS on the North Charleston High School campus. These runs will be student specific for each 9 weeks/semester, similar to Special Needs type transportation. Mid-day bus runs will be made to and from North Charleston High, Stall High School, Burke High School and Military Magnet Academy.
