U.S. Fish and Wildlife and MUSC Team Up on Day of Caring at St. Andrew's Math and Science

**Office of Strategy and
Communications**

Gerrita Postlewait, Ed.D.
Superintendent of Schools

Erica S. Taylor
Executive Director

Who: The U.S. Fish and Wildlife Service along with MUSC's Fiscal Services Department will be participating in Trident United Way's (TUW) annual Day of Caring at St. Andrew's School of Math and Science in West Ashley this Friday.

What: The USFWS and MUSC will come together with students, parents, and community members to give back to St. Andrew's School of Math and Science during TUW's Day of Caring. Volunteers will work during the day to clear the school's overgrown nature path that leads to the marsh where students can participate in experiential learning opportunities about the environment, ecology, STEM, and more.

When: Friday, November 18, 2016 from 9:00 a.m. to 2:00 p.m.

Where: St. Andrew's School of Math and Science, 30 Chadwick Drive, Charleston, SC 29407

For more information: For more information regarding this event, please contact Jennifer Wood at (843) 573-4311 or Jennifer Koches, USFWS Public Affairs, at (843) 727-4707 ext. 214 or jennifer_koches@fws.gov.

About the Charleston County School District

Charleston County School District (CCSD) is the second largest school system in South Carolina representing a unique blend of urban, suburban, and rural schools that span 1,000 square miles along the coast. CCSD serves more than 50,000 students in 86 schools and several specialized programs. With approximately 6,100 employees district-wide, CCSD is the fourth largest employer in the region.

CCSD offers a diverse, expanding portfolio of options and specialized programs, delivered through neighborhood, charter, magnet, IB (international baccalaureate), and Montessori schools, and is divided into three Learning Communities led by associate superintendents. Options include specialized programs in science, engineering and mathematics; liberal arts; music and other creative and performing arts; career and technical preparation programs; and military and other public service enterprises.
